

Information
B.A./M.A.-Theses
Prof. Evangelia Kindinger

Steps to register your B.A./M.A. Thesis:

*4 weeks **before** registering your thesis*

- Please contact your first supervisor **early enough**
 - ⇒ I strongly advise you to choose the first supervisor based on previously attended seminars and their interest in related research topics.
 - ⇒ Please note that due to the high number of registrations, your request may be refused. Therefore, I recommend approaching the first supervisor early.
- Come to my office hours with a specific topic (and subject of research), we'll then discuss details.

The following must be submitted to the first supervisor before registering:

- **Proposal**
 - ⇒ approx. 2 pages (like an introduction to a term paper)
 - ⇒ Presentation of the primary literature
 - ⇒ Presentation of the thesis: *I will argue that...* (not a question, but a statement about the primary text you are analyzing)
 - ⇒ Preliminary table of contents
 - ⇒ Please send the proposal in MS Word to: evagelia.kindinger@hu-berlin.de
- **Title of your thesis**

Format of the thesis:

- BA thesis: approx. 40 pages / 80,000 characters (2 months)
- MA thesis: approx. 60 pages / 120,000 characters (5 months)
- Please do not hand in a double-side printed copy of your thesis!
- Line spacing: 1.5
- Times New Roman (12 pts)
- 4 cm margin on the right
 - ⇒ Consult MLA for the correct way of citation!
