

BLACK HAIRSTORY

WHY BLACK HAIR ISN'T JUST HAIR!

Let us explore together the history of Afro-textured hair and hairstyles, as well as why Black hair isn't just Hair but so much more.

In our workshop, we will encounter the significance of certain hairstyles, hairstylists, and the whole discourse around cultural appropriation. We want to create a safe space in which we can learn as well as listen to one another.

The workshop is open to everyone who's genuinely interested in this topic.
