The following modules for exchange students all assume previous knowledge of core areas of **linguistics**. For students who have not yet taken an introductory course in linguistics, we recommend module 1 from our regular degree program *BA Englisch*.

Module for Exchange Students EL1: English Grammar and Variation			
The courses in this module build on an introductory course in linguistics and offer a deeper understanding of specific levels of language and of language variation. Prerequisite: An introductory course in linguistics which covers core areas of English grammar (phonetics, phonology, morphology, syntax and semantics).			
Course Type	ECTS	Choice from:	SWS
1. SE (seminar)	3	Selected Linguistic Processes	2
2. SE (seminar)	+ 3	History and Variation of English	2
3. SE (seminar)	+ 3	Selected Linguistic Processes or History and Variation of English	2
4. MAP = Modulabschluss- prüfung (exam)	+ 1	Written exam in Selected Linguistic Processes	
	= 10	Total ECTS	

Module for Exchange Students EL2: History and Variation of English			
The courses in this module build on an introductory course in linguistics and offer insight into diachronic and diatopic language development, the structural evolution of the English language and its variation. Prerequisite: An introductory course in linguistics which covers core areas of English grammar (phonetics, phonology, morphology, syntax and semantics).			
Course Type	ECTS	Choice from:	SWS
1. SE (seminar)	3	History and Variation of English	2
2. MAP = Modulabschluss- prüfung (exam)	+ 1	Written exam	
	= 4	Total ECTS	

Module for Exchange Students EL3: Topics in English Grammar			
The courses in this module build on an introductory course in linguistics and offer a deeper understanding of specific levels of language, including phonology, morphology, syntax, semantics and pragmatics. Prerequisite: An introductory course in linguistics which covers core areas of English grammar (phonetics, phonology, morphology, syntax and semantics).			
Course Type	ECTS	Choice from:	SWS
1. SE (seminar)	3	Selected Linguistic Processes	2
2. MAP = Modulabschluss- prüfung (exam)	+ 1	Written exam	
	= 4	Total ECTS	

Module for Exchange Students EL4: Advanced Topics in English Linguistics			
This module offers advanced courses from the perspective of cognitive linguistics and empirical research as well as from the perspective of language seen as communication situated in specific contexts. Prerequisite: An introduction to linguistics as well as further courses in English linguistics.			
Course Type	ECTS	Choice from:	SWS
1. SE (seminar)	4	Cognitive Linguistics or Language in Context	2
2. MAP = Modulabschluss- prüfung	+ 3	Term Paper	
	= 7	Total ECTS
