

General information

If you are matriculated in **B.A. English**, you are only allowed to choose from "[Bachelorstudiengang Englisch \(Programmstudierende\)](#)" on AGNES:

1. **B.A. English regular modules** that program students can choose as well
 - Winter Semester: modules 1, 2, 5, 6
 - Summer Semester: modules 1, 5, 6
2. **B.A. English special modules**

Please note which modules are available during the **Winter and Summer Semester**.

Important remarks

Please note that you are **only** allowed to choose from these modules above and not from any other modules that you might find on AGNES or online.

If the table shows the name of a specific class (e.g. "American Cultural History"), you must choose this class on AGNES. If it says "Choose one lecture/seminar" etc. then you can freely choose from the list on AGNES.

Please do **not** choose any **Language Practical courses** ("Sprachpraktische Kurse, die auch von Programmstudierenden belegt werden können" on AGNES) yet. You will receive further information on whether and how you can take any of these classes in September.
